

# Assembly 3414 Newsletter (October—December)

Vivat Jesus, the Fall has been a time to socialize with our brothers, their families and our veterans. We kicked off October with an Oktoberfest celebration at my home in Covington. We enjoyed Brats, Kartoffel Salat, Brezen and finished with Kasekuchen. November's Veteran's Day Mass was cancelled at St. John the Baptist, but we said a prayer for all the Veterans that have served our Nation. In December, we supported the Old Soldier's Home in Orting, Washington. Members and their families assisted the residents with helping them receive their gifts and returning them to their rooms. We wished everyone a Merry Christmas and a Happy New Year. We are having some problems getting enough members to have a quorum. My greatest prayer for next year is that members will consider buying regalia so that we can honor our fallen brother's properly. I am providing information for our members to purchase their regalia. Go to the web site [www.kofcuniform.com](http://www.kofcuniform.com). You can purchase the Coat, Pants, Tie and Beret there for \$449. You need to purchase a white shirt, the sword and service baldric separately. Our Assembly has offered to purchase the sword and service baldric. There is going to be another Exemplification in April in Vancouver and possibly one last one in June, location is TBD. As we move towards the end of the Fraternal Year, email me suggestions for Sir Knight of the Year. God Bless
